RE: Ziegler Chemical Gilsonite Mines, M/047/013, Uintah County,
Utah

On August 27, 1987, Frank Filas, Dave Wham, and I reviewed the subject case with Mine Superintendent Norman Haslem. The purpose of the review was to try finalizing the submitted reclamation plan.

Photographs of the operation for reference purposes follow:

Office and Storage Buildings - Headframe of Little Bonanza #1 is in the background.
